Independent Financial Group announces its Top Representatives

San Diego, CA – Independent Financial Group today released their list of their top-earning registered representatives, also known as their “Top Producers” for 2011. 33 of their 475 affiliated representatives achieved the coveted title and will be rewarded with a celebration of their success in Kona, Hawaii in March of 2012.

Managing Director and Chief Marketing Officer David Fischer explains, “We are proud of our continued success, but cannot do it without the hard work of our rep force.” He adds “It’s a privilege for us to be able to reward their efforts with our Top Producer event in Hawaii. We combine a great educational conference with networking and fun for our reps and their families.”

This marks Independent Financial Group’s 7th consecutive Top Producer Conference in Hawaii. As the broker-dealer grows their representative roster, they expect to add more participants each year.
